

Support a Classroom, Support a Future

If a student comes to school without a pencil or a winter coat, teachers fill the gap. In the United States, **96% of teachers purchase basic school supplies** for their classrooms and students. This adds up to an average of **\$740 out-of-pocket each year**.

Your gift helps ensure every student has the supplies they deserve to succeed in school.

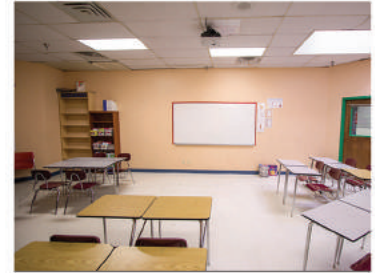

Why support a teacher through AdoptAClassroom.org?

We're a nonprofit. We've helped teachers for over 20 years. Your gift is tax-deductible.

We're transparent. 100% of your donation goes to the teacher and you'll receive an email with what's bought.

We're flexible. Teachers can spend their donation immediately. Our online marketplace has everything from basic supplies to the latest technology.

To make a donation, go to AdoptAClassroom.org. You can then search for classrooms by teacher name, school name, and/or location. Or, you can fill out the donation form below.
