

How to help teachers during COVID-19

- 1. Reach out.** Ask teachers in your life how you can show up. They'll be thrilled to have a friend to support them.
- 2. Tell teachers in your life about AdoptAClassroom.org.** Lots of teachers are pulling out their wallets to cover surprise distance learning costs. Teachers can crowd fund for free on AdoptAClassroom.org. You can be their fundraising buddy!
- 3. Donate to a classroom or school now!** [Search 1000s of educators now to support on AdoptAClassroom.org.](#)
- 4. Show up after the news cycle ends.** Supporting teachers during a crisis is important, but they need you all year round. You can show up consistently by making your gift monthly.
- 5. Give where it's needed most.** [Donate directly to AdoptAClassroom.org](#) and your gift will go where it is needed most.
- 6. Share this resource with three people.** People are more likely to help when asked directly. Join forces with your loved ones to grow our community of classroom heroes!
