How Does It Work?

1. Visit adoptaclassroom.org/register/ to register and create your AdoptAClassroom.org page.
2. Our donors and corporate sponsors search for teachers, classrooms, and schools to fund on our website. You can also share a link to your AdoptAClassroom.org page with your community so your network of friends and family can donate to your AdoptAClassroom.org account.
3. Donations are made directly to your AdoptAClassroom.org account, which means 100% of the donation designated to your classroom goes to you. You receive a credit to your account to purchase supplies in our online Marketplace. No cash exchanges hands.
4. When you receive a donation, we'll send you an email informing you that you have funds to spend. When you log in, you'll be prompted to send a thank you email to your donor.
5. Spend your funds through our online Marketplace of more than 25 school supply vendors. All purchases are shipped directly to your school.
6. Donors receive an email that lists everything you purchased. Schools and districts may also request a full list of items ordered, listed by teacher.
